**Be First to Enjoy 333 Free Local Video Call Minutes
Simply Register at 3 Website (www.three.com.hk) to Obtain
Latest Updates on 3's Special Offers and Services**

Two rounds of lucky draw have been held recently by 3, in which six winners were each awarded a pair of 3 devices and twelve-month free services. These lucky winners will be first to own 3G devices and enjoy the pioneering 3G services upon the launch of the 3 service. Now 3 is bringing another exciting offer to prospective customers - FREE 333 local video call minutes, 111 minutes each month for three consecutive months. To enjoy this special offer, interested parties simply register online at the 3 website (www.three.com.hk) before 23 July 2003 and subscribe to the 3 service within fourteen days upon service launch.

For those who have already registered with 3, they will be notified via email about this special offer. Upon service launch, all 3 registrants will receive an email from 3, reminding them to subscribe to the 3 service within fourteen days in order to enjoy the offer of 333 free local video call minutes.

Take a close look at the 3 website (www.three.com.hk) to get the latest news of the first 3G mobile communication service in town, as well as to enjoy special offers from 3.
