3 Hong Kong to Offer New iPad in Hong Kong on May 11

HONG KONG - May 9, 2012 - 3 Hong Kong, the mobile operation of Hutchison Telecommunications Hong Kong Holdings Limited (HTHKH, Stock Code: 215), today announced it will offer the new iPad in Hong Kong on Friday, May 11. 3 Hong Kong will offer iPad with a range of attractive data plans that will allow customers to connect to its fast DC HSPA+ network at speeds of up to 42Mbps.

The third generation iPad is a category defining mobile device that features a stunning new Retina display, Apple's new A5X chip with quad-core graphics and a 5 megapixel iSight camera with advanced optics for capturing amazing photos and 1080p HD video. It also still delivers the same all-day 10-hour battery life* while remaining amazingly thin and light. iPad is world-ready, allowing users to connect to fast networks worldwide when they travel.

"3 Hong Kong is thrilled to offer customers the new iPad in Hong Kong, " said Amy Lung, chief operating officer (Mobile) of HTHKH. "We will offer the amazing new iPad with attractive subscription offers to deliver a first-class user experience on our fast network."

Customers can buy the new iPad at all 3 Shops beginning Friday, May 11. For complete details on pricing and availability please visit ipad.three.com.hk.

For more information on iPad please visit www.apple.com/ipad.

**Battery life depends on device settings, usage and other factors. Actual results vary.*
