**Hutchison Telecom Hong Kong Holdings
scoops 25 industry awards over the first three quarters**

**Outstanding achievement reinforces Group's
leading position in market**

Hong Kong, 25 October 2012 – Hutchison Telecommunications Hong Kong Holdings Limited (HTHKH; The Group; Stock Code: 215) today announced receipt of 25 industry awards presented by 17 local and overseas organisations, newspapers, magazines, radio stations and online media over the first three quarters of 2012, reinforcing the Group's leading position in a fiercely-competitive telecoms market.

Such an array of accolades demonstrates high and wide recognition that covers mobile and fixed-line services, customer and sales service, brand strategy, corporate social responsibility and human resources management. The achievement also underscores the Group's strengths in providing high-quality integrated telecoms services and has been earned by unrelenting efforts in the pursuit of excellence. These have included launch of innovative telecoms solutions, optimisation of customer service and establishment of strong brands, as well as initiatives designed to fulfill a strong sense of corporate social responsibility.

The Group works tirelessly to meet ever-escalating demand for higher transmission speeds, greater network capacity and more sophisticated integrated telecoms solutions in the 4G and data era. Ownership of the largest amount of available radio spectrum for service provision in Hong Kong helps the Group serve a strong and growing customer base, while running an extensive sales network with creative flair and competitive edges. All this is driven by a determination to provide customers with an ever-improving communications experience, while raising Hong Kong's profile as Asia's foremost telecoms hub.
