3 Hong Kong Offers Fourth Generation iPad with Wi-Fi + Cellular

23 November, 2012 – 3 Hong Kong, the mobile operation of Hutchison Telecommunications Hong Kong Holdings Limited (Stock Code: 215) today announced it is now offering fourth generation iPad with Wi-Fi + Cellular and will be offering iPad mini with Wi-Fi + Cellular beginning soon. 3 Hong Kong is offering these new iPads with a range of attractive subscription plans that allow customers to connect to its fast 4G LTE network. The SIM only data plans are also available without a contract providing customers with the freedom to activate or cancel a plan at any time.

The fourth generation iPad features a gorgeous 9.7-inch Retina display, new Apple-designed A6X chip, FaceTime HD camera and ultrafast wireless performance. iPad mini is a completely new iPad design that is 23 percent thinner and 53 percent lighter than the third generation iPad, features a stunning 7.9-inch Multi-Touch display, FaceTime HD and 5 megapixel iSight cameras, ultrafast wireless performance and an incredible 10-hours of battery life*. Both fourth generation iPad and iPad mini come with iOS 6, the world's most advanced mobile operating system with over 200 new features.

Customers can buy the new iPads at 3Shops. For more information on plans, please visit ipad.three.com.hk.
