

**3 Hong Kong provides data-roaming customers
over NTT DOCOMO's mobile network with eCoupons
offering up to 40% discount at designated shops in Japan**

Hong Kong, 29 March 2016 - 3 Hong Kong, the mobile communications division of Hutchison Telecommunications Hong Kong Holdings (HTHKH, stock code: 215), today announced collaboration with Japan's NTT DOCOMO, INC. that will provide 3 Hong Kong's data-roaming customers with complimentary electronic coupons (eCoupons) from merchants in Japan, plus travel information. Starting today, data-roaming customers arriving in Japan can get complimentary eCoupons entitling them to discount of up to 40% at popular tax-free shops and department stores, as well as restaurants and beauty salons.

Building more appeal into an excellent data-roaming experience

HTHKH Chief Operating Officer Jennifer Tan said: "As members of the Conexus Mobile Alliance, 3 Hong Kong and NTT DOCOMO are co-operating to provide customers with an excellent data-roaming experience. This new collaboration provides eCoupons for the added enjoyment of our customers. Special offers from a diversity of merchants covering shopping hotspots will suit a variety of needs among our data-roaming customers while in Japan."

Data-roaming customers using the 3Roam Data Plan or Data Roaming Daily Pass will receive an SMS from 3 Hong Kong containing special merchant offers and practical travel information after commencing data-roaming service over NTT DOCOMO's mobile network in Japan. By following instructions, customers can download complimentary eCoupons from a website linked to the SMS. They will get discounts of up to 40% simply by presenting eCoupons when shopping.

Merchants in the programme¹ throughout Japan's shopping hotspots include the Laox Tax-Free Shop, Daimaru Department Store, Matsuzakaya Department Store, Mitsui Outlet Park, LaLaPort Shopping Mall, COREDO Shopping Mall, Nihonbashi Mitsui Tower, and the Megane-Ichiba / ALOOK Glasses Shop, as well as the Hot Pepper Gourmet and Hot Pepper Beauty outlets. A range of merchant offers will suit a variety of preferences and tastes.

Data roaming service covers as many as 152 destinations worldwide

3 Hong Kong co-operates with operators all over the world to enhance data-roaming network coverage, so customers can stay connected with friends and family when traveling or working overseas. 3 Hong Kong customers can use their own SIM cards and stay connected while at 152 destinations, roaming via 215 networks - all by choosing from a variety of data-roaming services.
