Be vigilant against easy money scams

3 Hong Kong recently received customer enquiries about a Facebook page named 「賺外快」. The page claims that long-term customers from various local mobile operators can make easy money by renewing service contracts to get new handsets at respective retail shops with service renewal offers. By handing in those new handsets to a third party, those customers will be rewarded a few thousand dollars.

We hereby urge customers from 3 Hong Kong to guard against deception and be vigilant against those scams. 3 Hong Kong has no connection whatsoever with that Facebook page. We have not authorised that Facebook page to use the name, logo or trademark of 3 Hong Kong. Nor have we provided any service renewal offers to help customers make easy money. We have already reported the scams to the police and Facebook.

3 Hong Kong is very concerned with these Facebook scams and would like to raise the customer's awareness. The official Facebook page of 3 Hong Kong is <https://www.facebook.com/threeHK/>. Please email us at cs.mobile@three.com.hk or send us a PM on our Facebook page for enquiries. Customers who suspect that they have fallen prey into such scams should report them to the law enforcement agency immediately.

3 Hong Kong reserves all rights to take legal actions against the related Facebook page and all persons associated with it.
