

**Important Notice**

**Termination of 2G services on 30 September 2021**

3 Hong Kong will switch off its 2G mobile network at 00:00 of tomorrow (30 September 2021) due to its reduced spectrum deployed for the related services. This move will affect customers using old model mobile handsets supporting only 2G services.

This is a final call for affected customers to upgrade to a 4G or 5G monthly plan to ensure service continuity. A range of handset models has been reserved for free upgrade, with monthly subscription fees starting from as low as \$53 for a 24-month plan. Please call our hotline on 3166 8771 or visit any 3Shop for service upgrade. For other enquiries, please call our 24-hour customer service hotline on 1033.
