

Terms and Conditions:

"Fair Usage Data Threshold" varies from customers to customers depending on the Rechargeable SIM card purchased, as specified on the relevant packing or our website. Once the aggregate local data usage of a customer in the relevant period beginning from the data usage reaches the relevant Fair Usage Data Threshold applicable to the customer, SIM World shall have the right to reduce and restrict the data access speed (upload and download) to not less than 128 kbps. Please refer to "[Prepaid SIM Card Service Usage Policy and Fair Usage Policy](#)" for details.

1. From 1 March 2022, real-name registration is required before use. Upon insertion of the SIM card into a mobile device, the defaulted service package / SIM card validity will start immediately, local services will be activated after real-name registration is completed.
2. International Supreme Card is valid for 180 days from the activation date. International Supreme Card (Social Media Limited Edition) is valid for 395 days from the activation date. International Supreme Card (Mainland China-HK-Macau-Taiwan Roaming SIM) is valid for 395 days from the activation date.
3. Each time you recharge your card, its validity will be reset for further 365 days to retain the remaining balance, free usage and mobile number, or else they will be forfeited on the expiry date.
4. The designated service package will renew automatically from the SIM card if the remaining balance is enough. Otherwise, the package will be suspended. Daily cut-off time is counted from 24 hours after daily package activation.
5. Customers are required to activate Roaming Data Day Pass and package charge will be deducted from the stored value. An SMS confirmation will be sent to prepaid mobile number upon effective date. Daily cut-off time of Roaming Data Day Pass is counted from 24 hours after package activation.
6. Day Pass shall not be applicable to aircraft roaming/maritime roaming/satellite roaming. Once Data Roaming Day Pass is effective, the data Network Shield service will be activated and data roaming service is only applicable to designated destinations and networks. Designated destinations & networks are subject to change, for latest info please visit <https://web.three.com.hk/prepaid/intcard/index-en.html>.
7. An SMS confirmation will be sent to prepaid mobile number upon termination of Roaming Data Day Pass. The designated service package can be renewed via SIM World app, if need.
8. Usage of the Day Pass is subject to the coverage, system compatibility and other relevant conditions of the designated networks, which are subject to changes without prior notice.
9. Day Pass shall not be applicable to usage on Peer to Peer ("PTP"). If usage is incurred from or by PTP including applications such as (but not limited to) BitTorrent, edonkey, flashget, foxy, pstream, winmx, etc, or if there is any abusive or abnormal usage, SIM World shall have the right to forthwith terminate Day Pass without prior notice. All commercial or illegal promotion activities via the use of Day Pass shall be prohibited.
10. Tethering availability depends on network operators in the destinations. SIM World does not restrict the use of tethering with Data Roaming Day Pass.
11. "Night Fever" Data Usage and charges is applicable to local data service only. Maximum data access speed (upload & download) is 7.2Mbps.

12. The speed experienced by customer may be less than this and will be affected by the network setting, network specification, user's device, transmission technology, individual network and software used, coverage, usage level and extraneous factors.
13. When the data pack has been consumed (if applicable) or the mobile data is consumed under non "Night Fever" period, mobile data will be deducted from local data of plan entitlement. Data usage during the change of the time zone period may be different from the actual data usage due to time difference or delay.
14. The Data usage should comply with "Prepaid SIM Card Service Usage Policy and Fair Usage Policy".
15.
