

^The aforesaid maximum download speed may be affected and varied by the following factors: network setting and specification, network coverage and usage level, user's device and software, transmission technology and other relevant factors. Compatible mobile device is required. When monthly mobile data usage exceeds the fair data usage of the monthly plan 50GB, data service will continue, but the thereafter data access speed (upload and download) will be restricted to not more than 1Mbps.

Terms and Conditions

1. This monthly plan is only applicable to designated full time local tertiary student and staff aged 18 or above, with valid designated local tertiary student ID card/ staff card/ other proof of identity. Each HKID no. or Passport no. can only subscribe to this monthly plan once. The name on student ID card/ staff card/ other valid certificate must remain the same when subscription.
2. Customer is required to subscribe designated 5G \$148 15GB local data and commit to the Tertiary Student monthly plan with 24 months contract, waived Admin fee of \$28 per month within contract period. Customer can enjoy extra 35GB monthly local data and 3GB Mainland China-Macau shared data during contract period. \$148 monthly fee is net monthly fee after deducting basic \$80 monthly fee rebate (original monthly fee at \$228). Monthly fee rebate will be credited to customer's billing account by instalments during contract period. Monthly fee will be charged at the original plan fee (or at prevailing plan fee) and Admin fee of \$28 per month after contract expired. Upon subscription, Roaming & IDD service will be activated automatically and cannot be deactivated while still using The Service. Please visit www.three.com.hk/roaming for details of Roaming & IDD service.
3. Infinite data (data access speed (upload and download) will be restricted to not more than 100Mbps) is applicable to the data usage within the areas with service coverage in the designated location(s) only, subject to the main campus areas of the designated Universities, which will be updated from time to time. Allocation of network resources is subject to various network conditions which may affect the data service experience.
4. Data service may be switched to a mobile network of a non-designated location with stronger signals despite data service is being used within a designated location under certain circumstances (e.g. when customer is in a high-rise building within a designated location or at the boundaries of the designated location (s) etc.), which usage will be charged as data usage within a non-designated location. Due to factors such as signal and network transmission, timing of the mobile data service being switched in and out of the designated location (s) may be slightly different from the actual data usage.
5. Applicable during contract period.
6. Customer is required to subscribe KKBOX Tertiary Student Plan service on the same day of designated 5G Tertiary Student monthly plan subscription with same contract commitment as an engagement for its value-added service contract and to sign up for a designated contractual term to enjoy the preferential monthly service fee (at \$32.5 per month). This promotional offer is only applicable to Tertiary Student. The above promotional offers cannot be used in conjunction with any other promotional offers. KKBOX Tertiary Student Plan service will continue to be provided at standard monthly service fee of \$65 upon expiry of the designated contract period unless the customer terminates the service by calling 3Customer Services Hotline at least seven days prior to the expiry of the contract period. HTCL reserves the right to change the content, terms and conditions of the above offer at any time without prior notice. If customer terminates KKBOX Tertiary Student Plan service prior to expiry of the applicable contract period, the customer agrees to pay to HTCL an early termination charge equivalent to the monthly services fees multiplied by the number of months remaining of the minimum contract period of the subscribed for services. For details of the above, please refer to <http://bit.ly/kkboxStudentPlan>.
