

“Free AI Tokens Promotion” – Terms and Conditions

1. Promotion Period and Eligibility

- a. The promotion period runs from **1 July 2026 to 30 September 2026** (both dates inclusive).
- b. During the promotion period, customers who activate (new subscription) a designated 5G monthly plan or complete renewal order confirmation of a designated 5G monthly plan are eligible. The designated 5G monthly plans include SIM plans and 5G broadband services. The offer is not applicable for secondary SIM account.
- c. Each eligible customer account is entitled to redeem the reward once only during the entire promotion period.
- d. The Complimentary AI Tokens are an additional bonus; they are not included as part of the terms of any auto-renewed contract.
- e. The AI Tokens and related services offered under this promotion are provided by Basicware AI Limited via the BasicRouter platform. Hutchison Telephone Company Limited (“the Company”) shall bear no responsibility or liability whatsoever.

2. Reward Details and Redemption Arrangements

- a. **Quota Limit:** A total of 8,000 quotas are available for this promotion, offered on a first-come, first-served basis while stocks last. Allocation is determined based on the registration timestamp recorded in the Company’s system.
- b. **Reward Details:** Each eligible customer is entitled to 10 million (10M) AI Tokens during the promotion period. The reward will be issued in the form of complimentary Credits on the BasicRouter platform.
- c. **Distribution Arrangement:** Eligible customers will receive a reward confirmation SMS and must collect the redemption code within 14 days via the Company’s official APP. Designated customers will receive the redemption code via SMS directly.
- d. Customers are required to register an account on the official [BasicRouter website](#) and use the redemption code to convert it into Credits.
- e. Any unused redemption code after the expiry period will be automatically forfeited, and no reissue, extension, or transfer will be provided.

3. AI Token / Credits Redemption & Usage Restrictions:

- a. **Designated Large Language Models (LLMs):** The Credits awarded under this promotion may only be used on designated LLMs from Alibaba Cloud or BytePlus available on the BasicRouter platform. Credits cannot be applied to other non-designated models on the platform.
- b. **Token Deduction and Value:** The corresponding number of Credits of the estimated 10 million token is calculated based on the average rate of specific designated models. The actual number of tokens consumed will vary depending on: the selected Alibaba Cloud or BytePlus model, the pricing rate of such model, the length of input prompts and output completions. All billing and Credit deductions shall be subject to the prevailing standards on the BasicRouter billing system page.
- c. **Usage Period:** Credits must be used within 60 days from the date they are redeemed as Credit. Any unused Credits after this date will be automatically forfeited without reissue, extension, or transfer.
- d. Rewards are non-transferable, non-resalable, non-cashable, and cannot be exchanged for other non-designated products or services.

4. Services and Disclaimer

- a. **Third-Party Platform Services:** AI Tokens and related services are provided by Basicware AI Limited via the BasicRouter platform. All services on the BasicRouter platform, including AI models (such as Alibaba Cloud and BytePlus), their outputs, and technical support, are independently provided by the platform and relevant model providers. The Company acts solely as a promotion partner and is not the provider of such AI services, software, or outputs.
- b. **Content Disclaimer:** Customers acknowledge and agree that all text and data generated by AI models are automatically produced. The Company shall not be liable for the accuracy, legality, applicability, copyright ownership, or any losses arising from the use of such generated content.

- c. **Platform Stability:** The Company does not guarantee uninterrupted operation, network connectivity, or API stability of the BasicRouter platform or the designated LLMs. The Company shall not be responsible for any inability to use credits due to system failures, maintenance, or network interruptions of third-party platforms.

5. Data Privacy and Terms Compliance

- a. Customers must comply with the BasicRouter platform's Terms of Service and Privacy Policy when registering and using its services. Any personal data or prompts provided by customers to the platform will be governed directly by the platform's privacy policy and are not related to the Company.
- b. The Company will not transfer customers' telecommunications account personal data to any third-party AI platform without explicit customer consent.

6. General Terms

- a. In the event of fraud, abuse, or cancellation of the relevant telecommunications service, the Company reserves the right to immediately disqualify the customer and withdraw or terminate any issued rewards.
- b. The Company and Basicware AI Limited reserve the right to amend, suspend, or terminate this promotion, modify designated AI models, or revise these Terms and Conditions at any time without prior notice.
- c. In case of any dispute, the Company and Basicware AI Limited reserve the right of final decision.
- d. These Terms and Conditions shall be governed by and construed in accordance with the laws of the Hong Kong Special Administrative Region.
